💼 PROFESSIONAL EXPERIENCE

Full-stack Developer Internship

Van Lanschot Kempen
Sep 2025 – Jan 2026 | Amsterdam, The Netherlands

- Working on internal banker tools (C#, .NET, Angular, Azure, SQL).
- Working in a scrum team and with stakeholders to implement solutions based on user specifications.

Career break to pursue education in IT

Oct 2023 – present | Amsterdam, The Netherlands
I paused my finance career to study Software Engineering in order to gain new skills that I can apply in the corporate world.

Internal Auditor

Omron Management Center Europe
Jul 2019 – Sep 2023 | Hoofddorp, The Netherlands

- Performed full cycle internal audits at Omron Headquarters and regional entities.
- Evaluated risk areas within Financial and Business processes, identified improvement points, proposed remediations and supported the business in implementing the action points.
- Implemented an Internal Controls tool and trained stakeholders to apply it for their business processes.

Financial Analyst

Bitfury
Jun 2018 – Jun 2019 | Amsterdam, The Netherlands

- Created financial models to support organizational decision making and attract Venture Capital.
- Developed automated reporting and forecasting tools for more efficient use of data (SQL, Excel).

Revenue Analyst

ServiceNow
Jan 2017 – Apr 2018 | Amsterdam, The Netherlands

- Responsible for the EMEA and APAC regions in terms of deal reviews, structuring, contract negotiations according to IFRS 15.

- Actively involved in the implementation of a Revenue Accounting and Reporting tool based on IFRS 15 (SAP module).

Senior Associate Audit and Assurance

Deloitte

Sep 2013 – Dec 2017 | Chisinau, Republic of Moldova

- Lead the team during fieldwork on audit engagements.
- Identifying risks within various industries (Banking, Manufacturing, Wholesale).
- Preparing audit plans, establishing appropriate audit procedures, preparing reports and recommendations.
